

**SPEAKERS' BIOGRAPHICAL INFORMATION FOR THE LAUNCH OF  
NETWORK OF CARE FOR MENTAL/BEHAVIORAL HEALTH**

**Stephen W. Mayberg, Ph.D., Director, California Department of Mental Health**

Dr. Stephen W. Mayberg was appointed as Director of the California Department of Mental Health in 1993. A nationally recognized expert on public mental health systems, Dr. Mayberg has worked to advocate and implement a philosophical and directional shift from a state-based to a county-based system of mental health services delivery in California. As Director of the Department of Mental Health, he manages a nearly \$5 billion budget and directs more than 9,000 employees throughout the state. The Department's responsibilities include oversight of the state and local county mental health departments; system evaluation and monitoring; administration of federal funds; and the operation of the state hospitals. The Department is also responsible for the implementation of the Mental Health Services Act (Proposition 63), which is expected to generate about \$750 million per year in funding for new and expanded mental health services throughout the state.

**Darrell Steinberg, Co-Author of Proposition 63**

Mr. Steinberg is a Sacramento-based attorney with Hanson, Bridgett, Marcus, Vlahos, Rudy LLP, where he works as a member of the firm's Government Relations and Ethics group. Steinberg previously served three terms in the California State Assembly representing the 9th District, which includes most of Sacramento. During his tenure in the Assembly, Mr. Steinberg served as Chair of the Assembly Committees on Budget, Appropriations, Judiciary, Labor and Employment, and the Select Committee on High Priority Schools. He also served as a member of the Assembly Housing and Local Government Committees. He was the co-author of Proposition 63, and serves as the chair of the Mental Health Services Oversight and Accountability Commission.

**Bruce Bronzan, founder and president, Trilogy Integrated Resources**

As founder and president of Trilogy Integrated Resources, a health care consulting and management company, Bruce Bronzan offers more than 25 years of experience in California public and health care policy. At Trilogy, Mr. Bronzan serves as lead consultant for a variety of long-term care projects relating to system mapping and improving community service coordination. He also is the project leader for the innovative work Trilogy is involved in with Internet-based Network of Care information systems for countywide long-term care needs. Prior to his work with Trilogy, Mr. Bronzan spent 10 years representing the 31st Assembly District (Fresno) in the California Legislature. He also previously served as senior vice president of Birch & Davis Health Management Corporation., and as associate dean for administration and development at the University of California, San Francisco School of Medicine.

**Afshin Khosravi, president, Local Communities Network and partner, Trilogy Integrated Resources**

As founder of Local Communities Network Inc., Mr. Khosravi draws on his clear understanding of organizations and their needs to develop complete, self-administrating online solutions. These solutions place state-of-the-art technology under an organization's control, thus enhancing collaborative possibilities that would be difficult or impossible without web-enabled tools, technology and training. Under Mr. Khosravi's leadership, LCN sponsors many Chambers of Commerce, as well as more than 100 nonprofits throughout the Bay Area.
